WINE DINNER

Our monthly wine dinner continues with some Italian offerings from the house of Lis Neris in the village of San Lorenzo. For over four generations, the Pecorari family has worked passionately to help create and develop one of Friuli's most representative wine estates.

Our executive chef and sommelier has curated a 4-course menu with 5 matching wines for an e-wine-ful evening.
Choose to have your dinner at the privacy of your own table or communal style dining.
