PHILOXENIA
love of strangers

The ancient Greek value of hospitality continues to be a part of our lives today.

When estiatorio Milos first opened its doors, it was to welcome guests to an experience based on the idea of sharing among friends or family members at the dinner table. It was also to showcase the treasures of the Greek land and sea, which provide us with our one-of-a-kind food and wine.

Our selection of Greek wines, crafted predominantly from ancient indigenous varietals, holds centuries of artisanal traditions that blend seamlessly with modern technology to put forth the very best of the unspoiled Greek terroir.

At Milos, we are dedicated to presenting and sharing the amazing wines of a whole new generation of Greek winemakers who have transformed the art and have successfully displayed Greek wines on a global scale.

We would like to invite you on a memorable journey of hospitality, delicious food, and the new wave of Greek wines.
