HAPPY MID-AUTUMN FESTIVAL

中秋节快乐

As the moon transitions through its phases, the Mid-Autumn Festival graces us once more. With its artisanal craftsmanship, Venchi elegantly captures the essence of moonlight. Each gift box reflects the moon's radiance, evoking heartfelt yearnings for loved ones afar.

In sophisticated shades of classic orange, regal purple, and luminous gold, these creations enclose the exquisite flavours of reunion. A wish is whispered with every indulgent bit. The moonlight transcends distances, and sweetness lingers like cherished moments together. Celebrate the beauty of togetherness with Venchi this mid-autumn.
