

# ENTRY GUIDE

## Hong Kong-Singapore Air Travel Bubble

### PRE-DEPARTURE TO SINGAPORE

- Ensure you have not travelled abroad in the last 14 days (excluding any compulsory quarantine or Stay-Home Notice periods arising from any visits outside Hong Kong or Singapore) before departing for Singapore.
- Eligible visitors (not applicable to those under the four exempted categories\*) must be fully vaccinated (at least 14 days after completion of both shots of the COVID-19 vaccine) before departure.
- Must hold a valid passport and relevant visa.
- Book an Air Travel Bubble designated flight and print out your return flight ticket.
- Purchase travel insurance with a minimum coverage of S\$30,000 for COVID-19-related medical treatments and hospitalisation costs.
- If you are not a Singapore Citizen, Singapore Permanent Resident or Singapore Long-Term Pass Holder, you are required to apply for an Air Travel Pass (ATP) one week in advance prior to travelling to Singapore.
- Making an advanced booking to undergo a COVID-19 PCR test upon arrival at Singapore Changi Airport is recommended.
- Submit your travel history and health declaration, including a negative result of a COVID-19 PCR test (children aged 6 years old and below are not required to undergo the test), which must be taken within 72 hours before departure, electronically via the SG Arrival Card e-service within 3 days prior to your date of arrival in Singapore.
- Search, download and register your details on the TraceTogether mobile app.

\*For more information about exempted visitors, please refer to the Air Travel Bubble website (link at the bottom of the page).

### ARRIVAL IN SINGAPORE

- Undergo a COVID-19 PCR test at Changi Airport upon arrival in Singapore (except children aged 6 years old and below).
- Make use of private transportation to reach Marina Bay Sands and self-isolate in your room until you are notified of your test results.
- Keep the TraceTogether app activated on your mobile device throughout your stay in Singapore.

### PRE-DEPARTURE FROM SINGAPORE

- Undergo a COVID-19 PCR test within 72 hours before departure (hotel guests at Marina Bay Sands will be able to take the test on the premises without any hassle).
- Book and pay for your post-arrival COVID-19 test on the official Prenetics website. You will receive a QR code to present upon check-in at Singapore Changi Airport.
- Declare your travel history, health conditions, and contact information on the HKSAR Department of Health website within 48 hours prior to your departure.

The information above is for reference only.
