## On Tour

[Singapore, 23 June 2014]- The world's best Beatle's tribute band, Beatlemania is coming to Singapore, with exclusive performances of the world-famous **Beatlemania – On Tour** show scheduled for 5-6 September 2014 at the MasterCard Theatres at Marina Bay Sands.

The musical biography takes audiences on a journey through the many eras of the 'Fab Four' with a fascinating musical story that explores the band's humble beginning, rise to fame, cultural change and the Beatlemania phenomenon that changed music forever.

Showtime Management invites you "across the universe" on a "magical mystery tour" exploring The Beatles' revolution in popular music and culture. Employing authentic 'Beatle instruments', amplifiers and costumes, coupled with musically perfect renditions of your favourite Beatles classics, **Beatlemania – On Tour** recreates the spirit of The Beatles in ways that have audiences raving about them for weeks.

Since the first Canadian tour in 2009, the show has developed a worldwide following with sell out tours in Canada, Australia, Scandinavia, South Africa, Dubai, Hong Kong and the US.

With a new brand and a new cast - featuring the UK's own Joe Kane (Paul McCartney), Clark Gilmour (John Lennon), Craig McGown (George Harrison) and Grahame Critcher (Ringo Starr) - selected to take on the world-renowned show in 2013, new moments have been added, including new musical tracks that will have audiences out of their seats the whole night long.

Musically, no detail has been overlooked to re-create the true sound and excitement of The Beatles, with every song performed live and in its original key. Visually, the presentation is as close to the real thing as you can imagine.
