

## The Shoppes at Marina Bay Sands

### Asia's Premier Luxury Shopping Destination

- With close to 800,000 square feet of retail space and 270 boutiques and restaurants, The Shoppes at Marina Bay Sands has transformed the retail landscape in Singapore with the country's first large-scale luxury shopping mall in the heart of the Central Business District.
- The Shoppes is home to more than 170 luxury and premium brands spanning across bespoke menswear, women's collections, luxury children's labels, as well as luxury watch and jewellery brands.
- The mall also boasts an unprecedented assembly of 14 luxury duplex stores, many of which are the brands' biggest stores in Singapore – this is the largest collection of duplexes in Asia today.
- Shoppers can experience a refreshing mix of international luxury brands, emerging labels and new concepts, including the Louis Vuitton "Island Maison" housed in the Crystal Pavilion (North), the first of its kind in the world.
- Natural sunlight bathes the passage way of the mall, illuminating the interiors through magnificent glass windows. Other innovative concepts include a 150-metre canal, which takes visitors on a sampan boat ride through the retail belt, and the *Digital Light Canvas*, a multi-sensory permanent attraction located at the North Promenade of the mall.
- The Shoppes is the only luxury mall in Singapore to offer a by-appointment only *Shopping Concierge*. It is also the first and only mall in Singapore to house a complimentary shoe-shine service.
- The mall is the only one in Singapore to open until 11pm nightly and until 11:30pm on Fridays and Saturdays, as well as eve of public holidays.
