Marina Bay Sands unveils first experiential Career & Learning Fest

With over 500 jobs available, Integrated Resort offers on-the-spot interviews for candidates

Singapore (22 November, 2013) – Over 500 jobs are on offer tomorrow at Marina Bay Sands, as the integrated resort rolls out its first interactive *Career & Learning Fest* for the public. The experiential recruitment outreach, to be held at Sands Expo and Convention Centre Hall F from 10a.m. to 6p.m., aims to reach out to Singaporeans including fresh graduates as well as housewives and retirees seeking to return to the workforce.

The 500-odd positions include both part-time and full-time positions across all facets of the property, in service-line positions as well as supervisory roles. Suitable job applicants will be interviewed on the spot, and successful candidates will be offered a job on the same day. Job seekers can also try out some of the jobs through games and other activities, and listen to Marina Bay Sands' Team Members share their unique working experiences.

Marina Bay Sands' first experiential *Career & Learning Fest* showcases diverse departments such as Front Office, Security, Food & Beverage and Housekeeping, who will staff booths and conduct interactive sessions with the public. For example, members of the public can try their hands at making a bed with the Housekeeping team or learn basic floral skills from the property's Bay Floral team.

"We are very excited to launch our first public *Career & Learning Fest* and highlight some of the interesting jobs we have at Marina Bay Sands through workshops, fun and games. As Marina Bay Sands strives to continue to be the employer of choice, we believe we are able to showcase the best of our property through our best assets - our Team Members," said Ms Chan Yit Foon, Senior Vice President of Human Resource at Marina Bay Sands.

Going beyond introducing the departments in the exhibition hall, Marina Bay Sands will also be organising Heart-of-House tours for interested job seekers to understand the workings of a complex integrated resort. The tour will cover the daily routine of a Team Member, from collecting work uniforms to having a meal at its Team Member Dining Room.
