ESSENTIAL TRAVEL INFORMATION

GETTING TO SINGAPORE

Singapore's Changi Airport is one of the busiest and best connected in the world, handling over 100 airlines flying to some 300 cities. The award-winning airport itself is jam-packed with activities and amenities, making it a world-class attraction in its own right.

TRANSPORTATION

The fastest way to get around the island is on the MRT (Mass Rapid Transit) train system, while the comprehensive bus network is both convenient and economical. Meanwhile, taking a taxi is a comfortable way to get to more out of the way.

WEATHER

Singapore is known for its hot and humid weather, with little variation throughout the year. The average daytime temperature is 31°C (88°F), dropping to around 24°C (75°F) in the evenings. The monsoon season can bear down pretty heavily on our tropical weather from November onwards, so be prepared for rain on a daily basis during this period.

LANGUAGES

English, Mandarin, Malay and Tamil are the four official languages in Singapore. English is widely spoken throughout Singapore and is the main language used in business and commerce.

TIME ZONE

Singapore Standard Time is GMT +8 hours.

MONEY MATTERS

The currency used in Singapore is the Singapore Dollar (S\$). Currency exchange services can be found not only at The Shoppes at Marina Bay Sands® and Singapore Changi Airport but also at most shopping centres and hotels around the island. You can also access the automated teller machines (ATMs) located everywhere in Singapore, that accept most credit cards such as Visa, MasterCard and American Express.

MOBILE PHONE USE

Singapore's international dialling code is + (65). If you have international roaming service on your mobile phone, you don't have to dial +(65) as it will automatically connect you to the local numbers here.

CONNECTIVITY

You can register for a free public Wi-Fi account with your passport number at any Wireless@SG hotspot and receive log-in details via an SMS text message sent to your mobile number. Overseas charges may apply. Alternatively, you can buy a local prepaid SIM card from telcos M1, Singtel and StarHub to access Wireless@SG via the new SIM-based login feature.

VISA, CUSTOMS, LEGAL REGULATIONS

Most foreigners coming into Singapore do not require visas for entry and may be given social visit passes for up to 30 days upon their arrival in Singapore. However, it is best to consult your local consular office for the latest information with regards to entering Singapore.

(NO) SMOKING

Besides air-conditioned areas such as shopping centres, restaurants, entertainment outlets and cinemas, smoking is also an offence on the trains, public buses, taxis and in lifts. The smoking ban has also been imposed on public eateries and within a five-metre radius from most building entrances, except for allocated smoking areas that are clearly marked with bright yellow lines.

A maximum fine of S\$1,000 may be imposed on first-time offenders.

TAX REFUND SCHEMES

While you are in Singapore, you can get a refund on the 7% Goods and Services Tax (GST) on your purchases. Look out for retailers displaying the 'Tax Refund' logo and spend S\$100 or more to qualify. GST is refunded directly to you at selected retailers, Changi Airport or Seletar Airport on goods that are brought out of Singapore. A handling fee for the refund service may be deducted from the GST amount.

Please note that tax refund is available for departure by air only.
