# INTO THE WILD

## An Immersive Virtual Adventure

Now On | Free

### Make a real-world difference

In this multi-award winning installation, make a real-world impact on nature as you go on a virtual adventure with Google's cutting-edge technology that transformed over 850 square metres of ArtScience Museum into a virtual rainforest. Make a pledge to WWF at the end of your journey and a real tree will be planted to restore rainforests in Rimbang Baling – home to many endangered animals in Sumatra, Indonesia. You will receive photos of the tree and can watch it grow on Google maps!

## ARTSCIENCE LATE

Every third Thursday evening each month, ArtScience Museum keeps its doors open until 10pm offering free performances, late exhibition viewings and special 1-for-1 entry to exhibitions from 7pm to 10pm.

### THE LATECOMERS

Thursday | 18 Apr | 8pm & 9pm

Late to the game, on time with the punchlines. Catch The Latecomers in action as they entertain you with classic improv games and silly serenades. Bring your suggestions and they will bring the laughs.

A regular in the Singapore comedy circuit, The Latecomers are an improvisational comedy troupe formed by a group of friends from different nationalities, backgrounds and personalities. Founded in 2014, they create songs, sketches and memorable characters on the spot, based on suggestions from the audience and their own wondrous minds.

The Latecomers' performance is programmed in response to Wonderland, a playful and interactive exhibition based on Lewis Carroll's timeless stories of Alice and her adventures through Wonderland.

Free admission.

## ARTSCIENCE ON SCREEN

ArtScience on Screen explores the intersection between art and science using moving image, video and film. This rolling programme includes solo showcases, curated programmes, feature-length films, multi-screen presentations and creative documentaries, featuring filmmakers and artists from Singapore and beyond.

### A SENSE OF TIME

From 4 Mar

Organised in response to *Minimalism: Space. Light. Object.*, this programme of contemporary Asian cinema explores a distinctive narrative form, visual style and imagery devoted to slowness, duration and contemplation.

Featuring the films of Hou Hsiao-Hsien, Hirokazu Kore-eda, Jia Zhangke, Tsai Ming-Liang and more.

Free admission.

### GLASS: A PORTRAIT OF PHILIP IN TWELVE PARTS

From 1 Apr

Our Minimalism season concludes with an intimate portrait of American composer Philip Glass, and with a nod to his canonical piece *Music in Twelve Parts*. Like his composition, the documentary profiles the ensemble of characters around Glass, and allows simple repetition and the daily routines to build to a point of impact and a tenderness in the portrait of the great man.

Listen to Philip Glass's two compositions; *Two Pages* and *Einstein on the Beach: Knee Play 1* in the Sound Room (Level 3) at *Minimalism: Space. Light. Object.*

Free admission.

## ARTSCIENCE IN

# FOCUS

*ArtScience in Focus* is a series of pop-up exhibitions and showcases featuring collaborations with education, art, science and technology partners. Presented quarterly, these cross-disciplinary showcases are forums for exchanging new ideas, and feature a mix of experimental displays and interactive activities.

### MESHMINDS 2.0
